PINNAWALA ELEPHANT ORPHANAGE

Pinnawala Elephant Orphanage – set amongst the verdant hills of Kegalle is a unique orphanage, where the tiny tots weigh 60 kg or more. This is the Pinnawala Elephant Orphanage, the world's first and only elephant orphanage established to feed, nurse and house young elephants lost or abandoned by their mothers. Other occupants are elephants displaced from their natural environs by development projects or those found wounded. Visitors could see the baby elephants being fed milk from gigantic feeding bottles or bathed in the river which flows nearby – an unforgettable sight! Established in 1975, by the Wildlife Department and National Zoological gardens which subsequently led to a breeding program through which more than twenty five elephants have been born since 1984.

KANDY

Kandy – a lovely exotic city, the Hill Capital and last stronghold of the Sinhala Kings is a UNESCO World Heritage Site which retains an aura of grandeur, time has not affected. Encircled by hills, with a tranquil lake in its centre, it is the site of the renowned temple that enshrines the Tooth Relic of the Buddha and the Royal Botanical gardens – home to one of the world's best collections of Orchids. A cultural sanctuary where many legends, traditions and folklore are still lovingly kept alive, Kandy and its satellite villages are the centre of the island's handicraft industry (items of wood, brass & silver) exquisite silver or gold jewellery and precious gems of many varieties including the world's best blue and star sapphires. The highlight of the city's calendar is the Esala Perahera, when a replica of the casket enclosing the Tooth is taken in procession for ten glittering nights in July/August by exotically costumed dancers, drummers and approximately 100 Elephants.

Nuwara Eliya – Sri Lanka's premier hill resort with a fine bracing mountain climate, Nuwara Eliya is also the heart of Sri Lanka's tea country, producing some of the world's best tea. The mountain slopes and valleys are a carpet of velvety green tea plantations, interspersed with gushing streams and tumbling waterfalls. Red or green roofed plantation bungalows, English country style homes and hotels with lovely flower gardens, a fine 18 hole golf course and a racecourse gives Nuwara Eliya a decidedly British character.

Yala – Sri Lanka's most known National Park is popular for Elephant, Leopard, Bear, Crocodile and Wild Boar. 97,800 hectares in extent, this is the second largest of Sri Lanka's National Parks. Its open undulating terrain made it famous for elephants for many years, but recently the park has also received much fame through publicity by National Geographic and the Discovery TV channels, which focused on a leopard research/conservation and identification project. Claims have subsequently been made that Yala National Park has the world's highest concentration of leopard per square kilometer. Vegetation is primarily grassland and shrub jungle with patches of dense growth while several salt and fresh water lagoons are a haven for a large variety of resident and migrant birds. Areas popular with leopard are rock strewn hillocks with dense shrub in which the animals hide

Transfer to Colombo

Colombo – the trade and commercial capital has long been the traditional gateway to the Orient. Sri Lanka's largest city, it is located on the west coast and draws together all the cultures, religions and influences of foreign lands into a pot-pourri of sounds, smells and a kaleidoscope of colour. The original traders and settlers - the Arabs, Portuguese, Dutch and the British have left in their wake churches and monuments, names and religions, costumes and food and smatterings of their languages which have been absorbed into the speech of the Sri Lankan. Today, Colombo is a fascinating city - a happy blend of east & west, past & present, with a charm of its own. A less known but amazingly true fact is that Colombo has a superb range of high quality restaurants serving food from all over the world and some of the best shopping opportunities in Asia. The main seaport of Sri Lanka is in Colombo & adjoining it, is Pettah, a local bazaar & trading area. Other places of interest are the beautiful Buddhist temples, Hindu temples, mosques, the historic Wolfendhal church, (1749) the Colombo Museum, the Bandaranaike Memorial International Conference Hall, the New Parliament in Sri Jayawardenepura, the Folk Art Centre, Art Galleries, Parks, Independence Square, the Ceramic Corporation and ODEL the renowned shopping centre.
